

## **Secretary of the Ministry of Municipalities and Agriculture Affairs visits Adhari Park**

Dr Juma Al-Kaabi, Under Secretary for the Ministry of Municipalities and Agriculture Affairs and Yousef Al Bory, the elected Municipality Board for the Northern Governorate were given a tour of Adhari Park by the engineer, Aoun Al Khnizi and Jamal Al Haji, Chairman of Adhari Park Development Company during an official visit today (15 August).

The Government officials were shown the rides and amusements which are already in place, given an update on the progress of construction and had the opportunity to meet the staff.

“We are honoured that Dr Juma Al-Kaabi and his guest have spent time with us to gain an update on the progress we are making at Adhari Park as we move into the final stages of construction,” said Jamal Al Haji, Chairman of Adhari Park Development Company.

Adhari Park has something for everyone. The park has 34 rides and amusements; ranging from the thrilling roller coaster and Log Flume through to Bumper Cars and Paddle Boats; an overhead Monorail, the first of its kind in the region, a Children’s Play Area, Mini Golf Course, Bowling Alley, Games Arcade, family recreation facilities, 25 retail outlets, and a range of food outlets.
